Continuation of Substance of Interview including description of the general nature of what was discussed: Applicant's comments in the Response filed 10/2/03 suggest that the Office had inadvertently examined the wrong claim set in the Office Action of 3/31/03. Applicant provided the text of claim 24 as Applicant believed the claim was filed in the Amendment of 1/21/03. The text of the claim 24 presented in the Remarks filed 10/2/03 does not correspond to the text of any claim pending before the Examiner. It is noted that the Claim set received 1/21/03 appears to have been a duplicate submission of the claims filed in the proposed after final amendment received 7/25/02.

To address this discrepancy, the Examiner requested that Applicant submit a new set of claims.

Applicant agreed.
